

6th Grade Girls' Intramurals 2017-18

Dear Parent/Guardian/Student,

An intramural program of various sports and activities is offered for all sixth grade girls at middle school. Team play, sportsmanship, and having fun are emphasized. Girls will be encouraged to wear comfortable clothes. *Tennis shoes are required for the activities.*

Intramurals will be held from **3:00 p.m. to 3:55 p.m. on Tuesdays & Thursdays**. The girls can meet me in my room, **C12**, and then we will go to our designated area for each activity. (This way we can lock up their items during intramurals.) At 3:00 p.m., girls can bring a snack/water to eat/drink before we start since their lunch is so early in the day.

I am sure your daughter will find the intramural program enjoyable and worthwhile. It is a great way to meet new friends at middle school. Your daughter may participate in any or all of the activities offered. Students do **NOT** sign up for an activity. Girls can come any Tuesday and/or Thursday and join the fun.

Below is the intramural schedule through December. Please save this schedule for future reference. It will also be located on the BMS webpage in the athletics section. Another schedule will be coming out for students in January. If any dates are changed, the changes will be given in the Monday morning announcements, which are available online. If you have any questions, please feel free to email me anytime.
