

Parents and Guardians of Bettendorf Middle School Athletes,

Bettendorf Middle School is proud to announce that we are now offering the convenience of online registration through Family ID (www.familyid.com). Family ID is a secure registration platform used to provide you with an easy, user-friendly, way to register for our sports programs. This system allows us to be more administratively efficient and environmentally responsible. BHS is using this system as well. Registration through Family ID allows you to make a profile for your student, upload, and electronically sign all important documents related to their participation in sports at BMS. Please follow the steps below to register your student for participation prior to the start of their season.

***If you already have an account, just login and register your student for their upcoming 7th or 8th-grade year.**
